

Specification Sheet

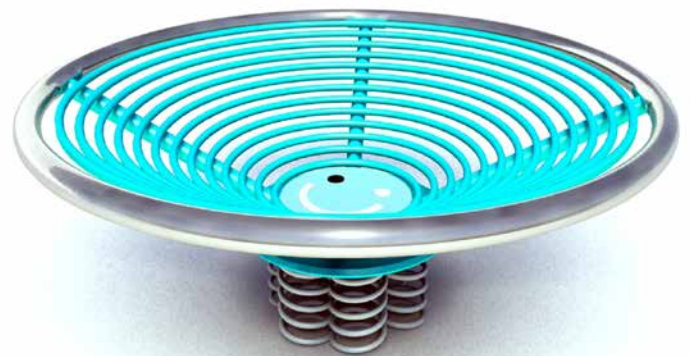

Product Name: VORTEX
Product Code: IP13

This 2m diameter steel 'basket' sitting on six traditional spring rocks and spins like the Revolve giving both dynamic and challenging play for all ages.

The younger and less exuberant the user, the less movement that will be generated, ensuring that the unit's response meets the abilities of the user.

The deep dish offers excellent support for those who require it whilst still being at the centre of the play experience.

The unit comes with a stainless steel outer rim making it a very modern looking and highly durable piece of equipment.
