

Data Sheet for IP50- The Dune

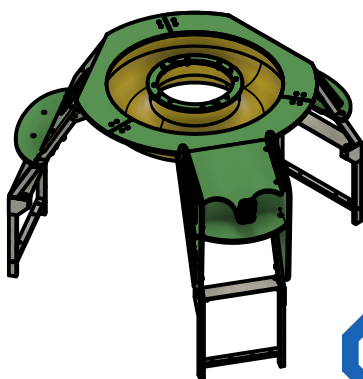

Sensory Play

An elevated, inclusive sand table, one of the first of its kind. There are a number of access points so children with varying abilities can play together.

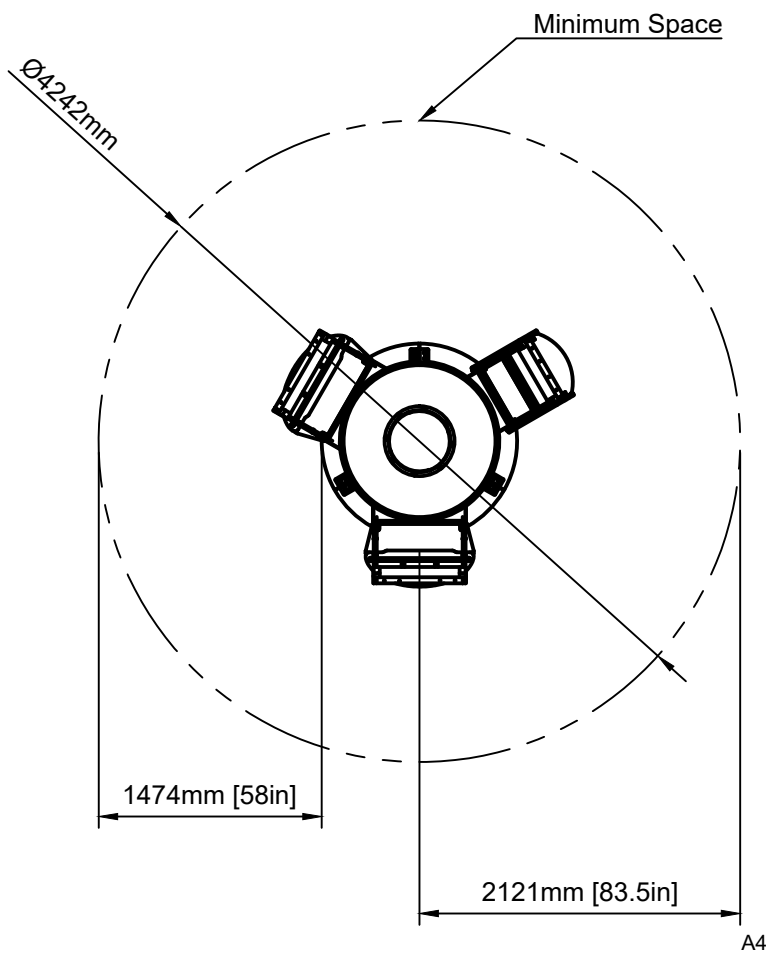

There is one position for lying down on, two open spaces for wheelchair or standing access and side steps for a child to stand on. The Dune can also be accessed from the middle, with space for a child to stand within. Sand or water can be added to the centre bowl.

Detachable from ground anchor for ease of storage and can be used as a free standing movable unit.

Scale: 1:35

Certified to TuV

A4
